DO YOU KNOW  
That there is as much difference in shoes as in  
corners? You get a cheap hotel and pay  
25 cents for a poor dinner, while at another  
you pay \$2 for a good one. As a rule, you get  
the high-priced is the best, because it was of  
better quality and better cooking and better  
service. You can't make good shoes out of  
poor material. We learn by experience,  
and you can.

It is superior excellence proven in millions of  
homes for more than a quarter of a century.  
It is used by the United States Government,  
indicated by the Great Universities as the  
strongest, purest, and most healthful.

YOUR LESSON

Is learned in this way it is rarely ever for-  
gotten. Haven't you often been tempted to  
purchase cheap shoes that looked all the  
world as well as higher priced goods? If  
however, you want to get your money where  
it will do the most good, take our advice and  
buy only in cans.
